***Demonstration of the
Wonderful Healthy
Benefits of Alkaline
Ionized Water***

BACKGROUND

***In Brief about the
alkaline ionized water as
there is some thing most
important than just being
an Alkaline Ionized Water***

BACKGROUND

***Alkaline Ionized Water
is Healthy as it
Includes An
Antioxidant Activity***

AS

*Cellular breakdown and
cellular regeneration
are two continuous
biological processes in
the human body*

AND

Antioxidants or cell protectors are substances that protect the human cells from undue or abnormal breakdown

VIA

***Maintaining the integrity
of cells by supporting the
cell wall resistance and
the integrity of the
substance cementing cells
together***

THROUGH

***Maintenance of the
cellular integrity,***

***Antioxidants help to
guard against infections,
chronic illness and
cancer***

***Lowering of the pH of tissues
and circulation caused by
accumulation of acidic
metabolites& mediators due to
improper perfusion of the cells
and tissues with oxygen is a
hidden truth behind cellular***

BACKGROUND

AS

*The human cells need a
slightly alkaline
atmosphere to maintain
its sound integrity*

MEANWHILE

***Diseased and cancer cells
could not withstand OR
exist among sufficiency of
oxygen and alkaline
atmosphere where its
growth is squeezed and
their abnormal cell***

INTERESTINGLY

Alkaline ionized water with its highly potent antioxidant activity as being ionized is having a small molecular size, hence it has got the ability of great diffusion within cells and tissues;

Therefore it could buffer any

Sufficient reports in literature, the healthy value of antioxidants in control of chronic disease spread and protection towards

BACKGROUND

THEREFORE

***The interest in
antioxidants has
reached a crazy world's
attitude due to their
health protective***

BACKGROUND

***Fresh juicy fruits are
natural valued sources
for antioxidants and
vitamins***

***Their disadvantage is
being Acidic***

BACKGROUND

*Ordinary Drinking Water
is not Alkaline Nor
Ionized*

*And could not be Even
Rendered Ionized*

Spring Water, Water of Wells and Waterfalls are Natural Alkaline Ionized Water

But their properties as concerns Alkalinity and Antioxidant Activity are Not Constant except for 3 hours to 3 days after Collection as their Structure of Ca.& Mg. is not constant As

***An Amazing Endless Blessed
Alkaline Ionized Water appeared
Since More than 4000 Years in The
M. East, the Gulf Region with
Unbelievable Constant Alkaline
Ionized Antioxidant Properties for
Unlimited Time Due to its Solid
Constant Structure of Ca.& Mg.
All Through the Time***

***It is Endless Throughout Thousands of
Years In Spite of Huge Extensive
Consumption All Round the Clock
D&N***

***It Holds A Surprising Constant
Structure As Evidenced by The Saudi
Ministry of Water& Agriculture
Researches in Concomitance with A
Highly Specialized Center Findings in
England in 1971/1972***

*It is Blessed As It Rose up at the Feet of
A kid, Prophet Ismael, the Son of
Prophet Abraham in An Arid Barren Dry
Valley Devoid of Any Source of Water
The Young Said to his Mother Hagar “Zumi

“Zumi” That is collect and Hence the Name “Zamzam” and Hence the Title (The Blessed A. I. Zamzam Water)

And Then What is the Purpose of these Spiritual Details; That is Because All People of All Religions Possibly Keep Good Memory and Believe in Prophet Abraham and His Son Prophet Ismael

AND BECAUSE

***This Blessed Water is
having Constant
structure and Properties,
At Least Six Months, All
Through the Time it Is
Kept& Stored***

Other Alkaline Water

AND AS

***This Blessed Water Is Hold
Inside & Is Not Instantly
Revealed from the Body; It Is
Retained Inside So That It
Works to Cure Any Existing pH
Error in the Tissues &
Circulation***

***Other Alkaline Water Is Not
Retained Enough in the Body***

AND AS

***Accumulation of Acidic
Metabolites & Inflammatory
Mediators inside the Body Does
NOT Harm in Few Years But After
So Many Years***

***Hence, Obtaining this Blessed
Water Once in A While And
Keeping it for Weeks or Months
For Cure & Prophylaxis Should Be***

FORTUNATELY

***According to 2030 Vision, People
from Every where Could Visit the
Country and there Would Be A
Chance& Place for Visitors
of All Beliefs***

***Hence, This Blessed Water Could
Be Obtained Via Visitors Or Else
Visiting the Country And Also***

***Definitely, Authorities of the Country
Are better Aware of the Wealth that
Belongs to Them***

***Petroleum Appeared in the Gulf Area
Around 100Years before OR More and
